# Galaxy Chase

1. What was the story about? **Retell** it in your own words.

2. The sentence endings have been scrambled! Can you **sort them out**?

The Ravioli brothers                      blew the ice into shards.

They went searching                      into millions of pieces.

He was hiding behind                      managed to escape.

The asteroid was blown                      for Sammy the Slug.

Sammy the Slug                              worked for Big Fella.

His frozen bomb                              a floating asteroid.

3. Match up the words with the **same meaning**.
