

## Worksheet 2

# Gobwit

## Same Sound Sentences

Players work in pairs or small groups. Each starts with 3 points.

Choose a letter/sound or a theme. To get started, use a character or word from the story of Gobwit.

Each player adds one word with the same initial letter, sound or theme to the sentence. The player who cannot continue is out or loses a point.

This can be played in spoken or written form. Extra points can be gained by being able to say the whole sentence (once completed by the team) three times without making a mistake!
