# Peabrain

## Design a Comic Strip

On a separate piece of paper, design a comic strip showing the events of the story 'Peabrain'. Use headings, speech bubbles and colourful illustrations to display the events listed.

Day	Event
Monday	A bird tapped on my bedroom window. It was a peacock. He stayed with us.
Tuesday	I gave the peacock some food. He sat on our car and scratched it. Then he screamed all night.
Wednesday	Our yard was a mess. There was bird poo everywhere. We named him 'Peabrain.'
Thursday	We put some seed inside the shed and tried to shut him in. Peabrain got out.
Friday	Peabrain showed off on the roof. He leaned over and fell off the roof.
Saturday	We cleaned up the yard. We tried to sell him to a Bird Lady but we couldn't catch him.
Meanwhile	We learnt to live with Peabrain.
One day	Our house was robbed. The burglar slipped on peacock poo and got caught.
Afterwards	We put a sign on our gate that said 'Beware of the Peabrain watch dog!'
