# The Garden of Enchantments

## Who Owns It?

*The courtyard door of a house was open, because of the heat.  
The sound of **women's voices** drifted out – three voices.*

The words in bold above show an example of an '**apostrophe of ownership**'. The voices belong to the women, so an apostrophe is used before the letter '**s**'.

Use an apostrophe of ownership in the examples below and put each into a sentence. (The first one has been done for you.)
