## Writing an Animal Report

Choose one of the following animals from the story to research:

- frog
- fish
- beetle
- mouse
- mole
- bird

Locate the following information about your chosen creature and write an animal report about what you have discovered. Don't forget to use illustrations and diagrams to support your information.

**My report on \_\_\_\_\_ by \_\_\_\_\_.**

<b>Body Features:</b> What does it look like?	
<b>Habitat:</b> Where does it live?	
<b>Food:</b> What does it eat?	
<b>Breeding Habits:</b> How does it have babies?	
<b>Predators:</b> Does anything eat it?	
<b>Interesting Facts:</b>
