Worksheet 1

Slime Soup

Slime Soup Recipe

"The recipe says six" said Sybil "but I like to have an even dozen."

1. Sybil's recipe for slime soup asks for 6 snails, but the snails keep climbing out of the pot. What other things could she use to get the slime?

_____

_____

2. Write your own recipe for Slime Soup! Think about what ingredients you would use, how much of each and how you would cook it. Some measurement terms that are used for recipes are: cup, teaspoon, tablespoon, and pinch.
