

## Worksheet 1

# Spaghetti Face

## Poster Design

What sort of a crazy competition involves worm eating?! Would you go in it? Come up with your own idea for some sort of competition.

- What will the contestants have to do?
- What will the prizes be?
- When and where will the action take place?
- Why is it on? (for fun, to raise money, to promote a product...)
- How do you enter?

Design a poster that includes all these details. Imagine it will be on display at shopping centres so people reading your poster will need to know all about the competition and really want to enter it!
